[] OTHER IDEA - _____

Given the recent changes in ownership of United States Auto Sound Competition International, we at USACi have put together an attractive and feasible means by which to gain exposure to a multitude of competitors, demonstrators as well as the general public, all combined in one venue. The main goals of today's USACi are to give back the spirit of competitive car audio as a sport to the end consumer, as well as provide all necessary attention to manufacturers, distributors and retailers to encourage growth of both sales and brand/product awareness.

The glory days are not gone, they are here upon us and we at USACi wish to partner with strong and capable vendors to grow our sport and industry above and beyond what was ever thought possible. Our PayPal is USACiWORLDWIDE@GMAIL.com
